Ideal location

There's a special versatility about our valley, that makes it the ideal location for your group stay - and it's got everything to do with our 30 horses, 7 faithful border collies, the delicious farm-fresh gourmet meals, our two world-class spas, babysitting services and entertainment for the little ones, fly-fishing in our stocked ponds and unlimited outdoor adventure - we could go on!

Here it's easy for you to connect and reconnect, it comes naturally in Echo Valley. From yoga in the morning to s'mores around the campfire at night, and every minute in between - there's something for everyone, bringing generations together.

A little slice of paradise

Tucked away on 160 pristine acres in the Cariboo Mountains, our resort is a place of balance and well-being. It just naturally brings out the best in us, creating the kind of harmony that lets you enjoy every minute with each other. Far away from the stress and noise of the city, you will spend a fun and relaxing time together. It's a time filled with both exhilaration and relaxation, as you explore the magnificent landscape on horseback or enjoy the spectacular vistas from our sun deck.

Something for everyone

Kids and adults alike will have a truly memorable time, and more importantly - a memorable time that is enjoyed by all, together. Kids forget about the latest video games and adults won't even think about checking their emails...

And it doesn't stop there - our executive chef will create farm-fresh, delicious meals for your event, and they are always a hit, regardless of age! The entire Echo Valley experience makes it easy for you to connect and re-connect.

Making special moments happen

Our experience and expertise in event-planning and behind-the-scenes execution ensure that you can simply enjoy and leave the rest to us. Our warm, Canadian hospitality is appreciated by our guests and it's something we take great pride in.

Echo Valley Ranch & Spa has been awarded Best in Canada: Small Hotel & Service and "the best" is exactly what we want you to experience.

Why Echo Valley?

Echo Valley was never planned to be a hotel - it was a home first, and naturally grew into this small paradise it is today. We don't have a reception desk, a dining hall and keycards - at our ranch we have a hall stand, a living room and trust.

The ranch is our home and the entire ranch family - from all over the world - lives here together.

Compassion, tolerance, peace and friendliness are our values - and you will feel it the minute you arrive.

All this makes Echo Valley Ranch & Spa the perfect location for your family celebration. Welcome to Echo Valley - from our family to yours!
