Elopement Experience

A large, smooth, light-colored boulder sits in a grassy clearing in a forest. The scene is captured at dusk or dawn, with a soft, golden light illuminating the boulder and the surrounding trees. The background is filled with tall, dark evergreen trees, and a wooden fence is visible in the distance. The overall atmosphere is serene and romantic.

Dreams really do come true.

Spend the happiest day of your life exactly how you want it - only with each other, or in the company of your closest family and friends.

Say "I do" in Echo Valley and start your special bond with exhilaration and relaxation.

Spectacular Backdrop

Celebrate your elopement in luxurious romance, against the spectacular backdrop of the BC wilderness. Start this special bond with a magical getaway full of relaxation and exhilaration and the feeling that everything is just the way it's supposed to be.

Make nature your personal playground and explore 160 pristine acres - and beyond - together.

Relaxation and Exhilaration

Relax on the private deck of our honeymoon cabin, while you watch the sun set over the Cariboo Mountains, cuddle up for stargazing into the night and experience a side-by-side spa treatment in our signature Thai Spa.

Farm Fresh Experience

Love might be all you need, but you will also savour the delicious, farm fresh meals our executive chef prepares for you, including a very special four-course dinner on your wedding day.

Echo Valley Ranch cuisine is always fresh, healthy, and delicious. You can enjoy your meals in our dining room along with the ranch family, or a bit more intimately at a table for two.
