

Book the Ranch - Digital Detox

Do you ever wish time would just stand still, so you have a chance to catch your breath and reconnect to your inner self?

Hidden away in the pristine nature of the Cariboo Mountains, there is a place where time has no meaning. A place where you can get away from the hustle and bustle of the city, from all artificial distractions, and from the stress of everyday life. A place where you can just “be”, feel an inner stillness, and simply relax. A place where you can clear your mind, and find what you are craving: a switch from digital to real.

Echo Valley Ranch & Spa is this magical place where time stands still, and we welcome groups of 14-42 people to experience Digital Detox in a true wilderness setting.
